

2D DESIGN DRAWINGS

SPECIALISED

We specialise in drafting and building services (Mechanical, Electrical, Hydraulics and Fire). Our drawings are accurate and will saving you valuable time.

EFFICIENT

With Draftech's 15 years industry experience, we understand that our clients are busy and need accurate work quickly. We ask the right questions upfront which eliminates inefficiencies.

COMPETITIVE

With fixed price terms and negotiable deliveries we provide solutions to rival any.

FLEXIBLE

From Signage Plans to Building Information Modelling and everything in between, we have the expertise to help your business.

RESOURCING

With Draftech, your staffing costs are eliminated, and access to "The Draftech Cloud System" means your drafting IP is easily accessible on all devices and locations.
